

Disclosure

In accordance with Federal regulations, Moravian University has a responsibility to manage, reduce, or eliminate any actual or potential conflicts of interest that may be presented by a financial interest of an Investigator. Thus, Moravian requires that Investigators disclose any significant financial interest that may reasonably appear to be affected by sponsored projects.

Each Investigator is required to disclose Significant Financial Interests of the Investigator and his/her Family (1) that would reasonably appear to be affected by the research or educational activities funded or proposed for funding, by an external sponsor; or (2) in entities whose financial interests would reasonably appear to be affected by the research or educational activities funded, or proposed for funding, by an external sponsor.

Regardless of the above minimum requirements, a faculty or staff member, in his or her own best interest, may choose to disclose any other financial or related interest that could present an actual conflict of interest or be perceived to present a conflict of interest. Disclosure is a key factor in protecting one's reputation and career from potentially embarrassing or harmful allegations of misconduct.

As required by Federal regulation, Investigators must disclose all Significant Financial Interests prior to the time a proposal is submitted. All financial disclosures must be updated by Investigators during the period of the award, either on an annual basis or as new reportable Significant Financial Interests are obtained. Investigators should submit a Financial Conflict of Interest Disclosure Form to the Provost's Office, and, when a Significant Financial Interest is identified, the disclosure form should be accompanied by any supporting documentation that identifies the business enterprise or entity involved and the nature and amount of the int-10 (F) -4 (or-7 (pr)2 () () -1 (t) -2 (i) -2 (ng) -10 (doc) 4 (um)-2 (e)c) 4 (um)-2

If the Provost determines that imposing the above referenced conditions or restrictions would be either
