

## Lightbridge Academy Overview

Lightbridge Academy offers extended day Infant, Toddler, Preschool and Summer Camp programs. Our unique *Circle of Care* recognizes the importance of caring for the needs of the entire family – children and parents. Children enjoy “learning through play” and the Seedlings Early Childhood Education Curriculum is developmentally appropriate and focuses on meeting the specific needs of each child. Our child care centers are state-of-the-art with high levels of security, interactive whiteboard technology, and the exclusive ParentView® Internet Monitoring System, which ensures that families can stay connected to their children anytime, from anywhere in the world. Our parent e-communication app, utilizes mobile technology in the classroom to provide real-time visibility and strengthen communication between the center and our families.
